Re.: Interstate Access Support
Annual Certification Filing
CC Docket No. 96-45

Enclosed is a corrected annual certification filing for Independent Networks Study Area No 35-9006. The initial filing was made on June 15, 2005 however the filing incorrectly listed Interstate Common Line Support. Independent Networks is not eligible for ICLS and the previous certification should have been filed under Universal Service Interstate Access Support – IAS. Therefore we are filing this correction.

If you have any questions please contact me.
